Community Haven for Adults and Children with Disabilities had a fantastic turnout for their annual spring tea last month with the help of perfect weather and dedicated staff and supporters many from the Service Club of Manatee County and Entre Nous Club. This year's theme, "The Great Gatsby," drew a fun crowd dressed in their 1920s finest who enjoyed hors d'oeuvres, tea, punch and desserts while listening to a Renaissance recorder quartet playing music from the 15th through 18th centuries. Each of the guests was photographed with the Great Gatsby (local actor Justin Irwin) in front of a 1920s Model T donated by Mr. and Mrs. Grimes. One of Community Haven's most generous donors in terms of time and financial contributions, Phyllis Siskel, was recognized with a gift of a photo collage created by the Selby Preschool children, who sang several songs at the event. Much appreciation goes to host Mary Thomas and event committee members Alice Trice, Sandra Robinson and Missy Eckenrod. Beautiful table decorations were provided by Josey's Poseys and cupcakes by Gail Thompson. PHOTOS PROVIDED
