Members of the Sarasota Men's Auxiliary of VFW Post 3233 dedicated all of the proceeds from their annual golf tournament to benefit more than 700 people with disabilities served by Community Haven for Adults and Children with Disabilities.

Marla Doss, president and CEO at Community Haven, accepted \$11,500 from the group.

"This is the third year that the Men's Auxiliary has held a golf tournament for Community Haven, and every year it gets bigger and better than the last," Doss said in a prepared statement.

After playing golf at Rolling Green, players ended the day with steak dinners and raised extra money through prize drawings and an auction.

Sponsors included Icard Merrill, Autobahn Express, SRQ Lending, Marina Jack, Sunset Chevrolet Buick GMC, Suncoast Motorsports VW Audi Porsche and Felixone Inc.
