The Kolter Group, a diversified real estate development and investment firm currently in various stages of development for The Grande luxury residences at the Ritz-Carlton and The Vue, Sarasota Bay recently awarded a \$15,000 grant to The Haven. It was unexpected, as two gentlemen had requested a tour of the campus. At the end of the tour, Kolter Land Partners President, Jim Harvey and David Langhout, Vice President of Land Acquisitions presented Brad Jones, Haven C.E.O. with a check. “It was a surprise,” said Mr. Jones. “It was a very *welcome* surprise.”
